**BS Engineering Sciences**

All engineering sciences students take the core classes, and then pick one “track” to complete.

...please see our suggested freshman- and/or sophomore-year start schedules for the Physics BS degree if you’d like suggestions for how to pace yourself through various physics and math courses. Feel free to reach out to your advisor and/or the physics Director of Undergraduate Studies too!

### Core classes

- PHYS 151 & 152
- CHEM 150/150L
- MATH 111, 112, 211, 212
